

THANK YOU! Thank you for continuing to support our fair and for telling your friends about us. This year we will again donate all monies raised to **Macmillan Cancer Support, Helen & Douglas House and Maggie's**.

Helen & Douglas House are very grateful for the support of Whittlebury Fair, which enables them to continue to care for families with a child with a life-shortening condition. The Fair's donation has helped them to provide a chance for families dealing with the pressures of 24-hour care to spend some time together and relax, while specialist doctors manage the child's symptoms.

For nine years, Maggie's has been providing people with cancer and their friends and families the emotional, practical and social support they need from an interim centre in the grounds of the Churchill Hospital in Oxford. Thanks to the overwhelming generosity of events like the Whittlebury Charity Fair, they have been able to secure the funds for a brand new Centre. The new Centre is not only in a better location, directly opposite the entrance to the Cancer & Haematology department but will give us a bigger space and greater opportunities to provide more people with the support they need.

A huge thank you as always to Jeff and Carol Sargeant - they are so generous to provide us with The Atrium, Whittlebury Park.

As always we donate 100% of all entry fees, raffle ticket sales and monies received from the stallholders to the charities. The costs of organising the fair are covered by sponsorship.
